

COOPERATIVE-ENABLED CONTRACT SEARCH

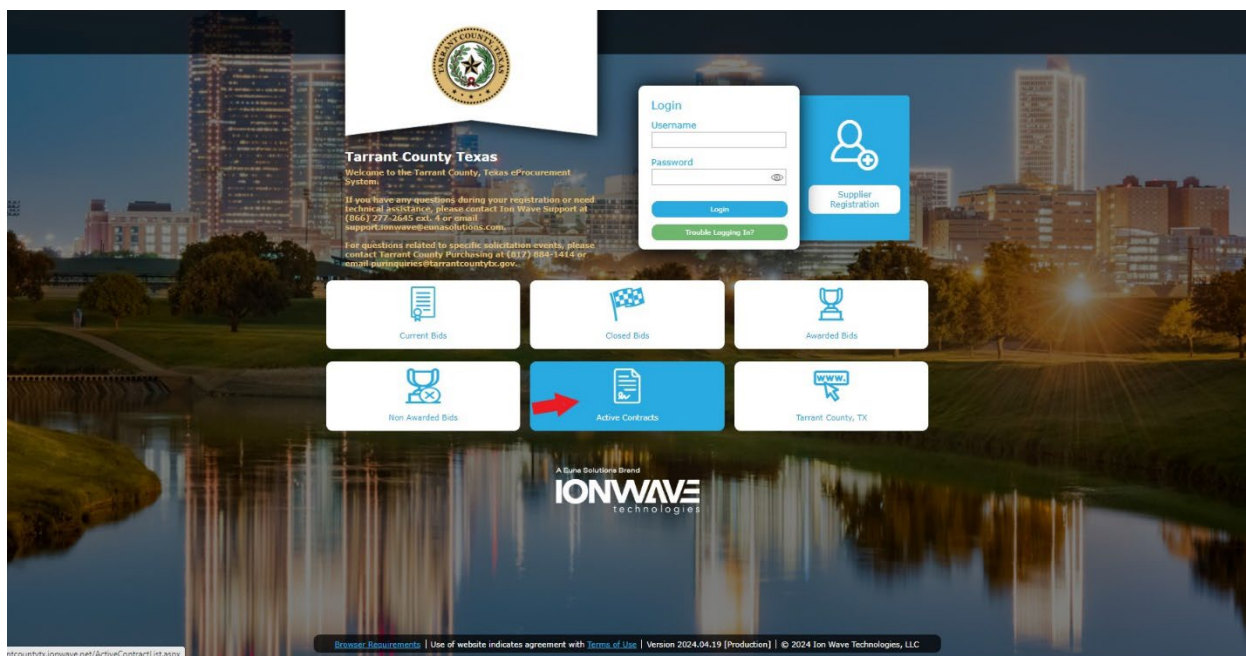

With the adoption of Ion Wave eProcurement, we invite our cooperative purchasing members to search for active contract information on the [Tarrant County IonWave](#) site. You do not need to register to do this.

Bid Specification questions are best answered by the respective Buyer as indicated at the bottom of the Commissioner's Court Communication (award document) or via link in Step 1, below. Buyer contact information is available via our [Purchasing Staff Directory](#).

The bid tabulation and renewal agreement letters are included as part of the award and renewal documents. A specific vendor's full submission package must be requested through the Public Information Act process. A request can be initiated by using the [Criminal District Attorney's Office Public Information Act Request](#) option.

Step 1: Go to the [Tarrant County IonWave website](#).

Step 2: Click on the Active Contracts icon.

Step 3: Search by Keyword, Contract Number, Supplier, or Commodity.
